

# Paul Weaver

## Work

2017 – Present **Oregon State Ecampus**  
*Corvallis OR*

- Working as a student graphic designer at Oregon State University's Ecampus. I have helped design course materials.
- Building PowerPoint slides, finding images for lecture materials, designing graphics, and animating lecture slides.
- This job has allowed me to greatly develop my computer skills, as well as my skills working and coordinating with others, both designers and non-designers.

2014 & 2016 **Stahlbush Island Farms**  
*Corvallis OR*

- Worked in the plant in 2016. Full Time
- Pulled weeds in 2014. Part time.
- Physical tasks. Learned a strong work ethic, and a willingness to work hard when needed.

## Skills

### Proficient in:

- Adobe Photoshop, Illustrator, InDesign, Lightroom, After Effects, and Dreamweaver
- Microsoft Word, PowerPoint, and Excel

### Additional Skills:

- Writing
- Drawing
- Video editing with Sony Vegas
- C, C++, and Java
- Familiarity with both Windows and OSX

## About Me

I am from Oregon, and my love of nature is one of the main drives for my design work. Inspiration is everywhere, and I try to always be looking for it.

Aside from school work, I am also a member of Oregon State University's Graphic Design club.

My main interests are art, animation, and illustration, and my hobbies include taking photographs, listening to music, and playing video games.
